Oregon State vs Utah College Football Picks Week 6: The Beavers are (2-2), it took 41 years but they finally did it, they knocked off the #1 team USC Last week 27-21. QB Lyle Moevao did what he had to do to win the game, 18/28, 167 yards, 2 TD's and the big thing no INT's. Jacquizz Rodgers rushed for 186 yards on 37 carries and had 2 TD's. They were 25 point underdogs. The sports odds posted by the oddsmakers at BetUS.com currently list Utah -12.5 point favorites to Oregon State heading into this matchup. "I think we made a statement, like we can come out and beat anybody on any given day. It's not always the best team that wins on a day. It's who plays hard," Rodgers said. "They came out and competed," Oregon State coach Mike Riley said of his team. "We were respectful, but not in awe."

The Utes are (5-0) after a win last week over Weber State 37-21. They only beat Weber St. by 16 points. Utah welcomed back former coach Ron McBride with a compilation of highlights from his 13 seasons with the Utes. Did Utah purposefully not run up the score to respect McBride? Utah pulled the good team and replaced them with bench riders that were already past Weber and looking forward to the Beavers. The reserves gave up two late touchdowns, including one with 12 seconds remaining, to make the score closer than the game really was. The sports odds posted by the oddsmakers at BetUS.com currently list OVER/UNDER in this Oregon State vs Utah game is set at 53.5 points. College Football Picks Week 6: The Utes have two very fine running backs in Matt Asiata and Darrell Mack, and they have an excellent passing attack. Unbelievable win, Oregon State deserves to celebrate that win for a long long time. Will they come to play again this week on the road?
