Villanova vs West Virginia - College Basketball Picks, Odds & Predictions: After losing to No.7 Georgetown and falling out of first place, the second ranked (20-2, 9-1) Villanova Wildcats [+4½] look to turn things around when they visit the 6th ranked, sports betting odds (19-3, 8-2) West Virginia Mountaineers [-4½] in a Big East battle. This Basketball Picks, Odds & Predictions game is scheduled to tip off at 7:05 PM ET live from the WVU Coliseum in Morgantown, WV.

For those of you interested on the OVER/UNDER, College Basketball Odds makers at SBGGLOBAL.com has projected that Villanova and West Virginia will combine to score a total of 150 points. For Villanova, it had an 11-game win streak snapped on Saturday with a 103-90 loss to the Hoyas. The Wildcats mounted a furious second-half comeback after falling behind by as many as 23, but in the end fell short.

“That was not one of our better performances, but you’ve got to give Georgetown most of the credit. They jumped on us,” coach Jay Wright said. “I think just getting down like that early here and playing that team from behind is really difficult to do.”

For the Mountaineers, a victory tonight could perhaps move them into a second place tie with Villanova. The last time these teams met, West Virginia handed the Wildcats their worst defeat of the season, 93-72.
