The England vs USA OVER 2.5 goals is even odds at SPORTSBETTING.com.

"When we look at any top-level game & you need six, seven, eight guys to have really good nights," U.S. midfielder Michael Bradley said. "And the other guys need to have solid enough days. There's a lot that goes into winning big games, beating good teams. We've done that before, and we're just concentrating on doing all of those things now in training leading up to the game so that we're ready to go."

The opening 2010 World Cup Odds had USA a +500 odds underdog. Currently the best 2010 World Cup Odds to bet on USA +575 odds at BOOKMAKER.com. The England vs USA UNDER 2.5 goals is -111 odds at SPORTSBOOK.com.

"The USA are very hard working &mdash; very fit and physical," England captain Steven Gerrard said. "They will be trying to deny us time and space on the ball. They know we have quality on the ball. We are expecting to be pressed really quickly. I'm sure it will be a good physical battle."

The opening 2010 World Cup Odds had the Draw in the England vs USA match listed at +280 odds. Currently the best place to bet for a tie in the England vs USA Group C match is at BODOG.com, you can get the Draw +325 odds.
